Pay and Personality M/A:49
Plan design improves when employees' personalities are factored into the equation.

Plan Design and Work/Life Management in Incentive Compensation M/A:41
Proper plan design and ongoing managerial support are crucial for effective incentive compensation.

Recognition

Rewards and Recognition in Employee Motivation .S/O:64
Effective compensation programs must distinguish between rewards and recognition.

Research Note

Nigerian Academic Faculty: Issues in Compensation and Retirement Benefits N/D:55
Nigerian academic faculty stay on the job long past retirement age because of concerns about their benefits and housing.

Rewards and Recognition in Employee Motivation .S/O:64
Effective compensation programs must distinguish between rewards and recognition.

Retention

Retaining Key People in Troubled Companies J/F:7
Retention pay plans can help troubled companies maintain the loyalty of key employees.

Retirement Plans

Benefits That Save Retirement J/F:33
Employees value their benefits more when they understand how their benefits protect their retirement savings.

Filling the Retirement Gap for Highly Compensated Employees N/D:47
"Reverse discrimination" against highly compensated employees results in a retirement gap.

Section 401(k), 403(b) and 457(b) Plans after EGTRRA N/D:31
Benefit managers need to review their plans for compliance with EGTRRA's sweeping changes.

Self-Directed Brokerage Accounts: A First Look at Participant Investment Behavior S/O:59
New data demonstrate how SDBA participants invest.

Rewards and Performance

Bonus and Variable Pay: Lessons from the U.K. N/D:24
Variable pay plans must be tailored to the characteristics and culture of each country and organization.

Charting Your Company's Course through Troubled Economic Times M/J:15
A rewards strategy for recovery means redefining performance.

Pay Changes Going Forward J/A:48
Total rewards now have the chance to regain momentum.

Plan Design and Work/Life Management in Incentive Compensation M/A:41
Proper plan design and ongoing managerial support are crucial for effective incentive compensation.

Planning a "Next Generation" Salary System N/D:13
A new salary program model is emerging in leading companies.

Rewards and Recognition in Employee Motivation .S/O:64
Effective compensation programs must distinguish between rewards and recognition.

Strategic Reward Systems at Southwest Airlines . . .M/A:28
Strategic rewards are part of Southwest Airlines' recipe for success.

Total Rewards Strategy: The Best Foundation of Pay for Performance M/A:34
Pay for performance is best served by a holistic approach to rewarding employees.

Salary Management

Pay Changes Going Forward J/A:48
Total rewards now have the chance to regain momentum.

Planning a "Next Generation" Salary System N/D:13
A new salary program model is emerging in leading companies.

Salary Negotiation

The New Salary Negotiation M/A:22
Employers and employees alike stand to gain from widespread availability of market compensation data.

Sales Compensation

Managing Cash-Based Incentives M/A:65
EIM software can help optimize sales performance and business results.

Sales Compensation Programs: Built to Last S/O:21
Fundamental design changes may be necessary to save a failing system.

Self-Directed Brokerage Accounts

Self-Directed Brokerage Accounts: A First Look at Participant Investment Behavior S/O:59
New data demonstrate how SDBA participants invest.

Singapore

Compensation Systems in Singapore J/A:23
Singapore has shaped compensation strategies in response to economic change.

Strategic Human Resource Management and Organizational Performance in Singapore J/A:33
Research indicates that strategic HRM practices bring higher levels of organizational performance in Singapore.

Stock Options

Accelerated Vesting of Employee Stock Options: Principles and Strategies M/A:60
The effects of accelerated vesting demand careful planning of employee stock option plans.

The Cancel and Regrant: A Roadmap for Addressing Underwater Options J/F:28
Delayed regrant programs offer compensation professionals another tool for dealing with underwater options.

End of an Era? The Future of Stock Options S/O:29
Plan design is critical in the post-Enron environment.

Statutory Stock Options: New Taxation, Withholding and Reporting Requirements S/O:37
Prepare now for the imposition of FICA and FUTA taxation on statutory stock options.

Technology

Managing Cash-Based Incentives M/A:65
EIM software can help optimize sales performance and business results.

Rethinking Online Benefits M/A:80
Investing in online benefits administration can reduce overall costs.

Shopping for Incentives M/A:75
New incentive programs should reflect emerging market trends.

Taking Motivation and Recognition Online M/A:70
Implementing and administering incentive programs online offers distinctive advantages.

United Kingdom

Bonus and Variable Pay: Lessons from the U.K. N/D:24
Variable pay plans must be tailored to the characteristics and culture of each country and organization.

Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA)
USERRA: For Employers, There's More Than Meets the Eye J/F:12
When reservists are called for active duty, employers must carefully follow USERRA provisions.

Variable Pay
Bonus and Variable Pay: Lessons from the U.K. N/D:24
Variable pay plans must be tailored to the characteristics and culture of each country and organization.

Voluntary Programs
Developing Successful Voluntary Programs to Help Retain Employees J/A:54
Employers can use voluntary programs to improve recruitment and retention without increased costs.

Workers' Compensation
Avoiding the "Bermuda Triangle": Navigating the ADA, FMLA and Workers' Comp Void M/J:58
Employers must apply each law separately to determine the status of the leave.
